Program and CME Course Directors

Wendy Gross, MD, MHCM, President, SONORIA, Vice Chair, Anesthesia for Interventional Medicine, Division of Cardiac Anesthesia, Dept. of Anesthesiology, Perioperative and Pain Medicine, Brigham and Women’s Hospital, Boston, MA

Mark Weiss, MD, Vice President, SONORIA, Director, Inpatient Endoscopy Anesthesia, Assistant Professor of Anesthesiology, Hospital of the University of Pennsylvania, Philadelphia, PA

Lebron Cooper, MD, Professor and Chair, Dept. of Anesthesiology, University of Tennessee Health Science Center, College of Medicine and Executive Medical Director for Surgical and Procedural Services, Regional One Health, Memphis, TN

Faculty

Gregory A. Acampora, MD, Dept. of Psychiatry, Massachusetts General Hospital, Boston, MA

Filip Banovac MD, Chief, Interventional Radiology, Dept. of Radiology and Radiological Sciences, Vanderbilt University School of Medicine, Nashville, TN

Steven Boggs, MD, MBA, Director of OR and Chief of Anesthesiology, JJ Peters VA Medical Center, Mount Sinai School of Medicine, New York, NY

Joel Brill, MD, FACP, Chief Medical Officer, Predictive Health LLC, Phoenix, AZ

Andrew Eisenhauer, MD, Medical Director, Central Maine Heart and Vascular Institute, Lewiston, ME

Michael Kochman, MD, AGAF, FASGE, Wilmott Family Professor of Medicine, Director, Center for Endoscopic Innovation, Research and Training, Perelman School of Medicine at the University of Pennsylvania, Philadelphia, PA

Jason Lane, MD, MPH, Assistant Professor of Clinical Anesthesia, Medical Director Non-Operating Room Anesthesia Services, Vanderbilt University Medical Center, Nashville, TN

William Peruzzi, MD, SM, FCCM, Vice Chairman, Department of Anesthesiology, Henry Ford Health System, Detroit, MI

Michael Rossi, DO, FAAP, Director, Division of Anesthesiology, St. Jude Children’s Research Hospital, Memphis, TN

Christopher Sharp, MD, MS, Assistant Professor, Dept. of Anesthesiology, University of Tennessee Health Science Center, College of Medicine, Director of Outpatient Surgery Center, Regional One Health, Memphis, TN

Paul Shyn, MD, Director, Cross Sectional Intervventional Radiology (CSIR), Brigham and Women’s Hospital, Harvard Medical School, Boston, MA

Scott Sinclair, MD, Associate Professor of Medicine, University of Tennessee Health Science Center, Director of Pulmonary and Critical Care Services, Regional One Health, Memphis, TN

Richard Taus, MD, Past President, New England Society of Interventional Radiology, Chief, Interventional Radiology, Dept. of Radiology, Morton Hospital, Taunton, MA

Richard Urman, MD, MBA, Director of Sedation Services, Dept. of Anesthesiology, Perioperative and Pain Medicine, Brigham and Women’s Hospital, Harvard Medical School, Boston, MA

Inaugural Annual Meeting
May 7–8, 2016
Peabody Hotel, Memphis TN

The University of Tennessee is an EEO/AA/Title VI/Title IX Section 504/ADA/ADEA institution in the provision of its education and employment programs and services.
**Purpose**

SONORIA’s mission is to build a collaborative platform for optimized, interdisciplinary care of patients undergoing interventional medicine or radiology procedures outside of the OR. Technological advancement and a higher acuity patient population herald increasingly complex treatment of sicker patients in non-OR venues. We face a pressing economic and medical need to build collaborative, integrated infrastructure. Our meeting presents a unique opportunity for diverse specialty physicians and non-physician providers to learn from each other and to promote interdisciplinary care redesign.

**Educational Objectives**

Following this activity, participants will be able to:

- Determine when and why interventionalists consider utilization of anesthesia services.
- Define MAC and GA, and articulate the difference between them.
- Determine how to identify cases and patients likely to need anesthesia support.
- Identify methods of conflict resolution arising between interventionalists and anesthesia providers concerning procedure, venue, patient positioning, and need for intubation.
- Explain the basis and practicality of mutually acceptable business models including joint venture financial platforms.

**Program**

**Saturday, May 7, 2016**

- **7:00 am** Registration and Breakfast
- **8:00 am** Welcome to SONORIA: Bridging the Medicine-Anesthesiology Gap; Wendy Gross, MD, MHCM
- **9:00 am** Welcome to UTHSC and Memphis, Tennessee Lebron Cooper, MD
- **9:15 am** Break: Refreshments/Exhibits
- **9:30 am** Michael J. Davidson Lecture: Collaborative Practice — The Cardiology Experience and Implications for Interdisciplinary Undertakings Andrew Eisenhauer, MD

**10:30 am** Break: Refreshments/Exhibits

**10:45 am** Medical Culture and Collaborative Process: Where the Rubber Meets the Road
  - Gregory Acampora, MD

**11:15 am** Safety Outside of the OR: Everybody’s Priority Lessons from Aviation; Mark Weiss, MD

**11:45 am** Sedation, Outcomes and Anesthesia: What the Data THINKS it Says; Richard Urman, MD, MBA

**12:15 pm** Lunch

**1:30 pm** GI Panel: Unique Cases and Complex Patients in the GI Suite; Moderator: Christopher Sharp, MD, MS
  - Gastroenterology Perspective; Michael Kochman, MD, AGAF, FASGE
  - Anesthesia Perspective; Mark Weiss, MD
  - Patient Selection and Screening: MAC vs. GA Christopher Sharp, MD, MS
  - Operations and Finance for the GI Suite Joel Brill, MD, FACP

**3:30 pm** Break: Refreshments/Exhibits

**3:45 pm** Operational Theories vs. Operational Reality: Will OR Management Work for non-OR venues?
  - Steven Boggs, MD, MBA

**4:15 pm** Critical Infrastructure…Lessons Learned from Pediatrics; Michael Rossi, DO, FAAP

**4:45 pm** Questions & Answers Session

**5:00 pm** Exhibits

**6:00 pm** Cocktail Reception

**6:30 pm** Dinner and Business Meeting for Officers and Directors

**Sunday, May 8, 2016**

- **7:00 am** Breakfast/Exhibits
- **8:00 am** Interventional Cardiology/Pulmonary Panel: The Anesthesiology Cardiology Interface — Where We’ve Been and Where We Are Going: Next Up—Pulmonary; Moderator: Wendy Gross, MD, MHCM

- **10:00 am** Break: Refreshments/Exhibits

**10:30 am** Radiology Panel: A Catheter for Every Vessel; An Ablation Probe for Every Tumor, Is it Surgery or Not? And What Standards Apply? Moderator, Jason Lane, MD
  - Anesthesiology Perspective; Jason Lane MD
  - Interventional Radiology Perspective; Richard Taus, MD
  - Interventions in the CT Scanner; Paul Shyn, MD
  - Anesthesiology and Radiology: Collaboration on the Front Lines; Filip Banovac, MD

**12:30 pm** Lunch/Exhibits

**1:30 pm** Care Integration—Financial and Strategic Implications for Health Systems William Peruzzi, MD, SM, FCCM

**2:00 pm** Wrap-Up; Wendy Gross, MD, MHCM, Mark Weiss, MD and Lebron Cooper, MD

**2:45 pm** Adjourn

**ACCREDITATION:** The University of Tennessee, College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**CREDIT:** The University of Tennessee, College of Medicine designates this live activity for a maximum of 11 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Don’t forget to turn in the Course Evaluation and Declaration of Hours forms in order to receive your CME credits!**
